

DESIGN *and* STYLING

ABOUT US

Our team organizes custom selected vendors who contribute to your wedding aesthetic. We serve as a lead to communicate your instructions and setup your decor to ensure every single visual element is present, accounted for, and styled according to your preferences.

LOCAL SOURCING

Styling assets are sourced and hired from all over Northeastern PA, giving you a beautiful range of furniture, decor and props to choose from, locally!

D E S I G N

We take your inspiration (yes, even that overflowing Pinterest board!) and transform it into a cohesive Style Guide. You'll receive detailed visual plans for each element of your wedding—from ceremony to reception—ensuring your day feels beautifully connected and truly you.

S O U R C E

Once the vision is set, we find the right vendors and rental pieces to match your style and budget. We handle all the back-and-forth, saving you time and stress. A detailed invoice is provided to review before final decor plans are implemented.

S T Y L E

On wedding weekend, we bring it all together. Our team will be on-site to place, set, and style every detail—so you don't have to lift a finger. Enjoy getting ready while we take care everything else!
